NOTE—Contn. Sheet.

State that the head Durawardar, Rabiya Bi Khatu is not willing to surrender the P.P.O. and take a new one for her share of the pension.

The petitioner Meir Muzaffir Sahib has Complained that the share due to his Grandchildren - (Rabiya Khatu's Sister's Children) is not being paid to them by Rabiya Khatu. In view of the statement made by her, it is open to Govt. to insist on her regular payment of the share due to her sister's Children, failing which the pension may be split up between Rabiya Khatu and her sister's Children, the petitioner Mr. Meir Muzaffir Sahib being made the guardian of the two children till they attain their Majority. To ensure regular payment of her Sister's share to her children by Rabiya Khatu, she may as well be told that before she draws the pension, she must produce the receipt for her having paid the share of the two Children to them during the previous months, failing which the pension will not be disbursed to Rabiya Khatu but it will be split up between the two Sharers and rendered repayable. Submitted for orders.

Subject to approval

That she must pay the arrears, up to date, of the pension due to those Children which she has till now misappropriated

The file shows that the Revenue Inspector, C & M, Station took the Statement of Rabiya Bi Khatu twice, once on 31.8.33 and again on 15.5.34. On the first occasion she

Serial No.

admits (Flag B) that after the death of her Sister She has not paid anything to the children of the deceased, though She promised to pay half the amount of the pension to them after the date of the enquiry. In the second statement (Flag A), She says that She has paid them all dues up to date. Whether She paid up in the interval, the amount due, cannot be made out from the records, but probably She has not paid.

11) Anyhow to avoid any chance of Government orders not being carried out (Since the pension was for the benefit of both the Sisters), Rabiya Bi Khatn may be told to produce reasonable evidence of her having paid their share to the children of her Sister. It is not probable that She was taking receipts for such payment during her Sister's lifetime. But for payments made after the split between them arose, She should have taken them. It is a point for orders whether in the absence of such a receipt Govt can compel her to pay the back portions of the pension due to them.

12) As for the future it would be better to split up the P.P.O into 2 P.P.O's, one
